

Work Experience

Medical Staffing & Recruitment Officer (2026 – Present)

NHS Foundation Trust

As a Medical Staffing & Recruitment Officer, my job consists of coordinating the end-to-end recruitment and onboarding of all staff, including managing job adverts, organising and attending interviews, and ensuring compliance with NHS policies and employment legislation. I maintain accurate workforce records across systems such as ESR and recruitment platforms, support rota coordination and workforce planning, act as a key point of contact for candidates and managers, handle sensitive information securely, and contribute to service improvements.

IT Lead (2026 – Present)

NHS GP Practice

As the IT Lead, my job consists of overseeing digital operations, system changes, and data services, ensuring all processes remain secure, compliant, and efficient. I support high-quality patient care by managing system performance and governance. Unlike the previous roles at this practice, this job is only out-of-hours support and drives continuous improvement across digital services based on reports and key information.

IT Officer (2025 – 2026)

NHS GP Practice

After building on my success in IT and Network Support, I progressed to IT Officer, taking on broader responsibility for the practice's software, networking, and security infrastructure. The role focuses on delivering dependable, innovative solutions that strengthen operations, enhance efficiency, and support high standards of patient care.

IT and Network Support (2024 – 2025)

NHS GP Practice

After completing my Business Administration apprenticeship, I was offered and accepted a more senior position in the practice's IT department, where I continued to maintain and develop the IT software and networking infrastructure as before, but with greater authority and more experience behind me.

Profile

I am a dedicated professional with a proven track record of providing exceptional service and support across various roles, from Business Administration to customer service and even mentoring and leadership. My passion for helping others and fostering inclusivity has been a driving force in my volunteer and professional experiences. I excel in customer service, communication, organisation, and adaptability. While my current journey has led me through diverse fields, my true passion lies in the world of law. I aspire to pursue a career in law, where I can leverage my skills to advocate for justice and equality and make a meaningful impact on the lives of individuals and communities.

IT and Communications Support (2022 – 2024)

NHS GP Practice

During my tenure as a Business Administrator, I served as the practice's IT and Communications Support. I played a pivotal role in enhancing the organisation's technological infrastructure, providing technical support, developing, and implementing effective communication strategies both internally and externally. This role allowed me to develop a diverse skill set critical to the IT and communications role and team.

Apprentice Business Administrator (2022 – 2024)

NHS GP Practice

As a Business Administration apprentice, I contributed to the organisation's efficient operation by providing essential administrative support and developing a wide range of skills crucial to the business world. As part of my coursework, I had to take on project management tasks to improve and implement new changes within the workplace, which involved the management of contracts and finances.

Waiter (August 2021 – December 2021)

Restaurant Hospitality

During my time as a Waiter, I consistently demonstrated a commitment to delivering exceptional service and contributing to the restaurant's overall success, with a strong focus on guest satisfaction and attention to detail.

Library Assistant Volunteer (Work experience 2019)

Council Ran Library

During my time as a Library Assistant Volunteer, I enthusiastically contributed to the library's mission of promoting literacy, knowledge, and community engagement. In this role, I took on a variety of responsibilities and gained valuable experience from organising shelving to customer service.

Volunteer Mentor (2017 – 2019)

Musical Theatre School

As a dedicated Volunteer for less advantaged and disabled students, I played a valuable and pivotal role in fostering creativity, inclusivity, and personal growth through the medium of musical theatre. Throughout my volunteer service, I was deeply committed to helping the students achieve their dreams of musical theatre.
